1 June 2021

Dear Shareholder

AFENTRA PLC (the “Company”)

1 Annual General Meeting

Your attention is drawn to the Notice set out on page 7 of this document (including explanatory notes to the Resolutions) convening the Annual General Meeting to be held at 10.00 a.m. on 30 June 2021 at 107 Cheapside, London, EC2V 6DN. The Company intends to propose the Resolutions set out in the Notice at the Annual General Meeting (“AGM”).

With consideration to the Government’s response to the COVID-19 pandemic, which includes restrictions on gatherings of people indoors, it is, as at the date of this Circular, necessary to restrict physical participation at the AGM. We are therefore proposing to hold the AGM at 107 Cheapside, London, EC2V 6DN with the minimum attendance required to form a quorum. In light of the fact that we are holding a closed meeting we are pleased to be able to provide a webcast facility for shareholders to follow the AGM remotely and ask questions. Shareholders will also be able to ask questions by email ahead of the meeting, further details of which will be outlined below and in the notes section of this Notice. Information and instructions detailing how Shareholders may access the AGM via the webcast facility will also be made available on the Company website closer to the date of the AGM.

Given the difficulties in making alternative arrangements to permit Shareholders to attend the AGM physically, if the Government eases restrictions after the date of this Circular but before the date of the AGM, the Company does not intend to make any such alternative arrangements even if restrictions are eased such that it becomes possible for Shareholders to attend the AGM physically.

As a result of the restrictions on physical attendance, the Company will be operating an electronic voting system that will allow Shareholders to cast their vote on the Resolutions in advance of the AGM. Shareholders will be able to cast their vote electronically by logging on to www.signalshares.com and following the instructions or using the CREST Proxy voting services. Electronic votes must be received by Link Group by 10.00 a.m. on 28 June 2021.

The Company strongly encourages all Shareholders who wish to vote to utilise the electronic voting system to appoint the Chairman of the AGM as their proxy (by logging on to www.signalshares.com and following the instructions or using the CREST Proxy Voting Services). In each case the proxy must be received by Link Group by 10.00 a.m. on 28 June 2021.

Shareholders are reminded that by physically attending the AGM they would be in breach of the Government’s current restrictions on the gathering of people indoors, in relation to the COVID-19 pandemic and will therefore, unfortunately, not be physically admitted to the meeting.

If Shareholders have any questions, they are invited to submit them by email to info@afentraplc.com by 10.00 a.m. on 28 June 2021 quoting their unique shareholder reference number/CREST ID and the Board will answer relevant questions via email. Shareholders will also be invited to ask questions during the virtual meeting.

2 Resolutions to be proposed at the AGM

Resolutions 1 to 10 will be proposed as ordinary resolutions, requiring a majority of more than 50 per cent. of those voting in person or by proxy to vote in favour.

Resolutions 11 to 13 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1: Annual accounts for the financial year ended 31 December 2020

The Directors have a duty to present (to shareholders at a general meeting) the Accounts together with the reports of the Directors and the Independent Auditors' Report thereon.

Resolution 2: Remuneration Report

To receive the Directors' Remuneration report for the financial year ended 31 December 2020, as set out in the Accounts.

Resolutions 3 and 4: Appointment of auditors and their remuneration

These are resolutions proposing the re-appointment of BDO LLP as the Company's auditor and authorising the Directors to determine BDO's remuneration.

Resolutions 5 to 9: Election of directors who are seeking election on an annual basis

The election of Jeffrey MacDonald, Paul McDade, Ian Cloke, Anastasia Deulina and Gavin Wilson as Directors of the Company as required by Article 85 of the Company's Articles of Association, which requires the regular submission of Directors to re-election by Shareholders.

Resolution 10: General Authority to allot shares

Resolution 10 is to give authority to the Directors to allot shares. At last year's AGM, the Company gave authority to the Directors to allot shares and other securities up to a specified amount. The Directors propose to seek shareholder approval for this authority to be renewed at this year's AGM. Resolution 10 will, if approved, renew the Directors' authority to allot shares until 15 months from the date of passing of this resolution or, if earlier, the date of the next AGM of the Company. Paragraph a. of this authority is restricted to the allotment of shares having an aggregate nominal value of up to £7,335,117 representing approximately one-third of the Company's issued ordinary share capital as at 6 p.m. on the Latest Practicable Date. In line with guidance issued by the Investment Association, paragraph b. of Resolution 10 will give the Directors the authority to allot shares in the Company and grant rights to subscribe for or convert any security into shares in the Company in connection with a rights issue up to an aggregate nominal value of a further £7,335,117 representing approximately a further one-third of the Company's issued ordinary share capital as at 6 p.m. on the Latest Practicable Date. The Company does not currently hold any shares in treasury. The extent of the authority follows the guidelines issued by institutional investors. There are no present plans to allot shares, other than in respect of employee share schemes.

Resolutions 11 and 12: Disapplication of pre-emption rights

Resolution 11 is to dis-apply pre-emption rights. Section 561 of the Act gives all shareholders the right to participate on a pro rata basis in all issues of equity securities for cash, unless they agree that this right should be set aside. The effect of this resolution is to empower the Directors, until 15 months from the date of passing of this resolution or, if earlier, the date of the next AGM of the Company, to allot equity securities for cash, without first offering them on a pro rata basis to existing shareholders, but only up to a maximum nominal amount of £1,100,268 representing approximately five per cent. (5%) of the Company's issued ordinary share capital as at 6 p.m. on the Latest Practicable Date. In addition, the resolution empowers the Directors to deal with fractional entitlements and any practical problems arising in any overseas territory on any offer made on a pro rata basis. The Directors consider that it is appropriate for this authority and these powers to be granted to preserve flexibility for the future.

Under Resolution 12 the Directors are seeking authority to offer shares for cash otherwise than to existing shareholders pro rata to their holdings up to an aggregate nominal value of £1,100,268 which represents approximately five per cent. (5%) of the issued ordinary share capital of the Company as at 6 p.m. on the Latest Practicable Date. This is in addition to the 5% referred to in Resolution 11. The power sought under this resolution will expire at the end of next year's AGM or, if earlier, the close of business on the day 15 months after the date of the AGM. This extra authority is being sought in accordance with the Pre-Emption Group's 2015 Statement of Principles ("Statement of Principles"). The Statement of Principles permits disapplication authorities of up to ten per cent. (10%) of issued ordinary share capital in total to be sought provided the extra 5% is used only in connection with the financing (or refinancing) of an acquisition or specified capital investment (as defined in the Statement of Principles). The Directors confirm that they intend to use the authority sought in Resolution 12 only in connection with such an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

Resolution 13: Company's authority to purchase its own shares

Resolution 13 authorises the Board to make market purchases of up to 22,005,352 Ordinary Shares (representing approximately 10% of the Company's issued Ordinary Shares as at 6 p.m. on the Latest Practicable Date. Shares so purchased may be cancelled or held as treasury shares. The authority will expire at the end of the next AGM of the Company or 15 months from the passing of the resolution, whichever is the earlier. The minimum price that can be paid for an Ordinary Share is 10p, being the nominal value of an Ordinary Share. The maximum price that can be paid is 5% over the average of the middle market prices for an Ordinary Share derived from the AIM Index of the Daily Official List of the London Stock Exchange for the five business days immediately preceding the day on which the Ordinary Share is contracted to be purchased OR the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share as derived from the London Stock Exchange Trading System ("SETS"). The Directors intend to exercise this right only when, in light of the market conditions prevailing at the time and taking into account all relevant factors, (for example, the effect on any earnings per share), they believe that such purchases are in the best interests of the Company and shareholders generally. The overall position of the Company will be taken into account before deciding upon this course of action. The decision as to whether any such shares bought back will be cancelled or held in treasury will be made by the Directors on the same basis at the time of the purchase. The Directors do not have any present intention of exercising the authorities conferred by this resolution, but they consider it desirable that the authorities are in place so that they can more readily take advantage of any possible opportunities.

3 Recommendation

The Directors recommend that you vote in favour of the Resolutions, as they intend to do in respect of the shareholdings of Shareholders whom they represent on the Board, which in aggregate amount to 6,681,666 Existing Ordinary Shares representing 3.04 per cent. of the entire issued Existing Ordinary Shares of the Company as at the Latest Practicable Date.

Yours faithfully

Jeffrey MacDonald

Independent Non-Executive Chairman
